

Name: CHEMICAL BIO coverall	Code: MC3422E0	MC34 CHEMICAL PROTECTION DISPOSABLE CLOTHING
------------------------------------	-----------------------	---

Description

Coverall in multilayer polypropylene and polyethylene, 90 g/m², with concealed double zipper closure with adhesive flap, internal flap and double external adhesive flap; knee reinforcement fabric, elasticated hood, cuffs and ankles, elastic thumb loops.

The coverall provides excellent chemical and biological protection, guarantees protection against radioactive contamination and against chemical liquid splashes thanks to the heat-sealed taped seams.

- Wide range.
- Enhanced protection against chemical agents, even in high concentrations.
- Remarkable mechanical resistance.
- Recommended for protection against multiple chemical agents.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
