Name: CARBOFLAME underpants	Code: MC5620Q4	MC56 CLOTHING - CARBOFLAME SERIES
-----------------------------	----------------	-----------------------------------

Underpants in stretch fabric, with FR protection, antistatic, protecting from the heat arising from the arc flash.
Made in 63% FR Modal, 34% aramid, 2% elastane, 1% fibre, 200 g/mi.
Ergonomic cut and chain stitching in red colour.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425.

This underpants can be worn under arc flash protective clothing, as it responds in A.2 of IEC 61482-2, requiring that arc flash protective clothing arc can not be used with underclothing that can melt with the arc, for example polyamide, polyester and acrylic fibres.

The main external fabric is OEKO-TEX® Standard 100 certified
